

Mighty Lite Hi-Viz Green GRP Fibreglass Step Ladders

[Representative image of product]

Product Description

New from Little Giant, the MightyLite Step Ladder is designed to help reduce or prevent the three leading types of ladder related injuries. By reducing weight, reduces the likelihood of neck and shoulder pain from carrying heavy items. Dangerous falls from standing on the top cap - the MightyLite comes with a large standing platform that provides additional comfort for users. Each Little Giant MightyLite comes with the Ground Cue built-in. This gives users an audible/sensory warning that the last step is reached and it is safe to step off the ladder. Ideal for use in noisy environments. Fibreglass Step Ladder range incorporates a multi-functional tool tray with non-conductive stiles, making them ideal for working around electricity. The combination of super-strong Box-Section fibreglass stiles and reinforced aluminium treads gives you a durable yet lightweight and easy to handle step that is perfect for the busy trades-person.

Features

- Non-conductive fibreglass stiles to 30,000 volts, ideal for working around electricity
- Integrated multi-function tool tray
- Comfortable 75mm treads
- Lighter than traditional glass fibre steps
- Fitted with Little Giant's Ground Cue to minimise falls
- Large feet angled to maximise ground contact and reduce slip

Specifications

- Brand: Little Giant Ladder Systems
- Warranty: 1-year
- Max Load: 150kg
- Standard: EN131 PROFESSIONAL
- Material: GRP Fibreglass/Aluminium
- Commodity Code: 39269097
- Country of Origin: CN
- Recommended Usage: Intensive

Common Dimensions

- Tread Depth: 75mm
- Distance Between Treads: 300mm
- Storage Depth: 102mm
- Top Platform Tread (LxW): 330 x 330mm
- Handrail Height: 610mm

Packaging Material

- Cardboard Sleeve & Poly Wrap

Availability & Delivery

- Stock item. Delivery next day.
