

Armorgard InstaGate™ Linking Kit IGL1

- The InstaGate linking kit comprises of a single link to fix any 2 Armorgard InstaGate IG4's or IG6's together.
- Built from sturdy 8mm steel, the linking kit is essential for daisy-chaining the InstaGates efficiently and securely.
- The linking kits allow for InstaGates to be joined together and pivot as a barrier at any angle required.
- The linking kits are provided with coach-bolts to fasten them to an InstaGate, but a padlock can be used instead for fast and effective security.
- An Armorgard M8 spanner is provided with each kit.
