

Carbon Dioxide

The Premium Range Carbon Dioxide (CO₂) fire extinguisher is available in 2kg and 5kg models. Both models come complete with the distinctive Jactone colour coded handle and header label and are Kitemark certified to BS EN3, UKCA and CE marked. Suitable for use on Class B and electrical fires. CO₂ leaves no residue after use and will not harm machinery or electrical equipment.

- › Quality aluminium cylinders.
- › High quality valves and discharge horn assemblies.
- › Colour coded headers and handles.
