

Carbon Dioxide

The Marine Range Carbon Dioxide (CO₂) fire extinguisher is available in 2kg and 5kg models, and approved to Merchant Shipping (Marine Equipment) Regulations SI 2016/1025. Both models come complete with the distinctive Jactone colour coded handle and header label. They are Kitemark certified to BS EN3, UKCA and CE marked. Suitable for use on Class B and electrical fires. CO₂ leaves no residue after use and will not harm machinery or electrical equipment.

- › Quality aluminium cylinders.
- › High quality valves and discharge horn assemblies.
- › Colour coded headers and handles.
